Legislative Assembly of Goa, Daman and Diu

Legislature Department

LA/B/7/657/78

The following Bill which was introduced in the Legislative Assembly of Goa, Daman and Diu on 7th

April, 1978 is hereby published for general information in pursuance of the provisions of Rule 136 of the Rules of Procedure and Conduct of Business of the Legislative Assembly.

**The Goa, Daman and Diu Agricultural Tenancy  
(Amendment) Bill, 1978**

(Bill No. 11 of 1978)

**A  
BILL**

*further to amend the Goa, Daman and Diu Agricultural Tenancy Act, 1964.*

Be it enacted by the Legislative Assembly of Goa, Daman and Diu in the Twenty-ninth Year of the Republic of India as follows:—

1. *Short title and commencement.* — (1) This Act may be called the Goa, Daman and Diu Agricultural Tenancy (Amendment) Act, 1978.

(2) It shall come into force at once.

2. *Amendment of section 7.* — In section 7 of the Goa, Daman and Diu Agricultural Tenancy Act, 1964, (hereinafter referred to as the principal Act), for the words “any person is a tenant or should be deemed to be a tenant”, the words, “any person is a tenant or was a tenant or should be deemed to be a tenant or was a deemed tenant”, shall be substituted.

3. *Insertion of new section 18KK.* — After 18K of the principal Act, the following new section shall be inserted namely:—

“18KK. *Right and duties of tenant-purchaser.* — The provisions of sections 8A, 35, 36, 38 and 42A shall apply *mutatis-mutandis* to a tenant who is deemed to have purchased the land under section 18A.”

**Statement of Objects and Reasons**

The Bill seeks to amend certain provisions of the Goa, Daman and Diu Agricultural Tenancy Act. The existing Section 7 does not cover the persons who

were tenants or deemed tenants as after the coming into force of the Goa, Daman and Diu Agricultural Tenancy (Fifth Amendment) Act, 1977, all the tenants and/or deemed tenants have become deemed owners. As a consequence, the various authorities under the Act have no jurisdiction to decide the issue whether a person was a tenant or was deemed to be a tenant. The amendment is proposed to cure the defects in the existing Section.

A new Section 18KK is proposed to be added to make applicable the relief given to a tenant under Section 8A and the duties of the tenant mentioned under Sections 35, 36, 38 and 42A to the tenant purchaser also.

**Financial Memorandum**

No financial commitment is involved in this Bill.
